## Health News Update:

What is Tai Chi?

According to AARP, Tai Chi is a wonderful activity for Senior Citizens. Ancient Chinese people discovered it a long time ago and have used it to maintain a balanced life. Anyody can do it no matter what his/her condition or situation. It relieves stress and is good for arthritis and circulatory disease. Also, it builds strength. Here at Oakmonte Village we are very happy to do Tai Chi Class with Dr. Ortega who is so in tune with the concept of Tai Chi. Come and enjoy Tai Chi with us on Fridays in the Multipurpose Room at 1:45!

## Creative Writing Class: The Case of the Missing Puppy

When Bev woke up she was alone and couldn't find her dog Mia. Bev began to cry out, "Who took my do?" She continued to cry, "Help me, help me!" Bev then callled the front desk to see if they saw Mia. They hadn't seen her either. On the loud speaker Bev announced that her dog was missing. Everyone came downstairs and started looking for Mia. Meanwhile, Mia is upstairs in Lee's apartment eating leftover steak that was on the counter. In the meantime, Bev and Lee were searching all over Oakmonted looking for Mia. They even handed out flyers letting everyone know Mia was missing. At the end of the day, Lee opens her apartment door and Mia rushes out back into Bev's apartment. When Bev went in her apartment Mia jumped up on her. Bev was so relieved to see her!
