

**Famous Firsts:  
Father's Day**

Inspired by the campaign to create the Mother's Day holiday, Sonora Smart Dodd of Spokane, Wash., wanted to designate a day for dads to honor her father, a Civil War veteran and widower who single-handedly raised his six children. She lobbied businesses and government officials, and on June 19, 1910, the state of Washington observed the nation's first Father's Day. The celebration gained popularity, but it didn't become a permanent holiday until 1972, when President Richard M. Nixon signed the law designating the third Sunday in June as Father's Day.
