Mark Bombard	Marketing Director
Dan Wright	Maintenance Director

Our Residents Enjoying Lunch at IHOP!

June 2018

It's a Rosy Time of Year

Celebrate National Rose Month by growing a container of the beauties. Even if you don't have a patio, you can enjoy a potted rose on your window sill. Most supermarkets and florists, as well as garden centers, sell small pots of miniature roses.

After the plant's blooms drop off, give the faded flower to a family member or friend to plant outside, where the plant will grow back bigger and more beautiful next year. Or you can transplant them to a larger container to keep for yourself, give them some special nurturing and enjoy their blossoms again in the future.

Flag Day Ceremony

Flag Day is June 14, and we will mark the occasion with a special ceremony to honor the Stars and Stripes. Please see the calendar for details and make plans to join us.
