**BY POPULAR DEMAND** Seniors for Democracy are bringing back an extraordinary program you may have missed in March. Everyone who participated in the Sheriff's presentation on Financial Fraud and Scams agreed it was the most important program they ever watched. Many people who attended immediately changed their way of handling their finances. You don't want to miss this final opportunity to hear about ways you can protect your money from scams and frauds. Join us on Thursday, May 9th from 2:00-3:30pm. You will be so glad you did. Refreshments will be served. Meet our local Deputy Sheriffs.
