Celebrate Our Freedom

On July 4, all across the land of the free and the home of the brave, the U.S. commemorates the adoption of the Declaration of Independence by the Continental Congress in 1776. Happy birthday, America!

Celebrating Residents' Birthdays

On June the 2nd, our resident, Yvonne Sullivan, celebrated her 86th birthday along with her friends and family for Cyrus social hour. Yvonne had her favorite entertainer here at Cyrus, which was Elvis. Residents, friends and family had a fantastic time. That was an event that Cyrus Memory Care will never forget. Cyrus would like to thank the Sullivan family for that special event. Down below is a picture of Yvonne and her family at Cyrus social hour. Cyrus would like to thank Mrs. Kim Osborne once again!!!!

Avoid Delays at the Doctor

The average wait time to see a doctor is 18 minutes. To help avoid this delay, doctors advise asking for the first or second appointment of the day. These are prime slots because office schedules aren't yet backed up due to emergencies and late patients.
