### River Oaks Valentine's Day Is Coming

Have you made special plans for your sweetheart yet? Better get to work, because the big day will soon be here! Many couples say that going away for a special weekend is the most romantic thing to do for Valentine's Day. Others find a quiet, candlelight dinner to be a special romantic treat. Whatever you do, don't forget to make sure your special someone knows that Cupid's arrow really hit its mark!

### Presidents Day Fun Fact: Inventive Abe

Did you know Abraham Lincoln is the only U.S. president to ever hold a patent? He invented a device to lift boats over obstructions in rivers, such as sandbars, but it was never produced. A scale model of the mechanism is held at the Smithsonian Institution.
