

# November Happenings

**November** was the ninth month on the early Roman 10-month calendar, taking its name from the Latin word *novem*, meaning “nine.” It became the eleventh month when the Roman senate adopted January and February. Legend has it that the Roman senate proposed naming the month after Tiberius Caesar, born November 16, 42 BC. However, Julius Caesar rejected this idea, saying, “What will you do if you have thirteen emperors?”

Take time this month to remember those you love and those you’ve lost. In many faiths and cultural traditions, November is known as a month for remembrance and gratitude. In the U.S., we celebrate both Veterans Day and Thanksgiving. All Saints’ Day, celebrated on November 1, honors all the saints without a special feast day.
