Activities Calendar / Memory Care

November got its name from the Latin word *novem*, which means "nine." The month was originally the ninth month in the Roman calendar. The earliest Roman calendar consisted of 10 months and 304 days. It was the Roman ruler Numa Pompilius who added January and February to the beginning of the year. Though the Roman senate attempted to rename the month on several occasions, no new name could be decided upon. Hence, the name November. stuck.
